## Letter of experience

To Whom It May Concern,

We are pleased to confirm that **Basel Husam Mather** has successfully completed three months of internship training at SHAI Company in the field of data science.

During the internship, Basel demonstrated a strong understanding of the fundamental concepts of artificial intelligence and machine learning. He has actively contributed to various projects and shown a willingness to take on new challenges.

Basel has also exhibited excellent analytical skills, both in problem-solving and data analysis. He has worked on projects related to natural language processing, computer vision, and deep learning and has shown a keen interest in exploring the latest advancements in these fields.

His dedication and enthusiasm for the internship have been greatly appreciated by our team. Basel has shown great potential as a future AI professional, and we are confident that he will continue to excel in his career in this field.

We are proud to have Basel as a part of our team during their internship at SHAI Company. He has been an asset to the company and has contributed significantly to our ongoing projects. We are confident that he will carry forward the valuable experience gained during the internship to their future endeavors.

Please do not hesitate to contact us if you require any further information.

Sincerely,

HR
